Lactation Counseling Directory

Blue Cross and Blue Shield of Kansas City (Blue KC) provides this directory as a service to our members which includes a list of providers and hospitals that may provide lactation counseling. Before accessing your lactation counseling benefit, please contact the provider or hospital to ensure they offer lactation counseling that meets the preventive care criteria of your Blue KC benefits.

You should also call the Customer Service number on your Blue KC member ID card to ensure the provider or hospital is in your plan's network. Services received out of network will not qualify as preventive care under your plan.
