Dear Group Benefit Manager,

Happy New Year from Blue Cross and Blue Shield of Kansas City (Blue KC). We are writing today to request that you complete an online confirmation of employment status form to coordinate benefits for your Medicare-eligible employees and/or retirees.

In accordance with Medicare law, employment status determines whether Blue KC or Medicare will be required to pay primary. For example, Medicare is primary for your retirees or other individuals who meet all three of these criteria: they no longer actively work for you, they are eligible for Medicare, and they are receiving benefits through your employer plan.

You should notify Blue KC immediately when an employee who is 65 years of age or older retires and is eligible to continue his or her Blue KC group health benefits so that we can process claims in the correct order.

**Please complete the online verification form within 15 days.** You may be asked to verify this information annually for employees that are new or who turned 65 in the previous year.

**You have options for accessing the online form:**

1. Scan the QR code
2. Enter one of these URLs into your browser:

**Log in using your Blue KC Group ID: <GROUP ID>**

- Use the same browser (for example, if you used Google Chrome for your first session, use Google Chrome the next time you access the form).

Sincerely,

Blue KC
