

Kansas City

DIGITAL FIRST HEALTH TOOLS RIGHT AT YOUR FINGERTIPS

Download our apps and tap into a variety of tools and support.

Blue Cross and Blue Shield of Kansas City (Blue KC) apps provide you with access to your health insurance information plus a variety of other tools, resources and support. Download them today and see how they can work for you!

MyBlueKC Mobile App

Access your health insurance information anytime, wherever you go.

- View, download or share your digital member ID card
- Find providers in your network
- See benefit and claims details
- Use Virtual Care for 24/7 sick care or behavioral health visits by appointment
- Access A Healthier You™

DOWNLOAD

Use your MyBlueKC.com log in or follow the steps after downloading the app to get started.

Once you have downloaded the MyBlueKC app, you can access the Blue KC Care Management app and A Healthier You™ under "Health & Wellness."

Blue KC Care Management App

Manage your health and take care of your ongoing health conditions.

- Manage a condition such as diabetes, asthma or cancer or get maternal health support
- Connect with your local Blue KC Care Team of registered nurses, social workers, and other healthcare professionals
- Track progress for goals like losing weight and quitting smoking
- Set appointment and medication reminders
