

Use Rx Savings Solutions to Save on Prescriptions

Rx Savings Solutions (RxSS) is an online tool that helps you find ways to save money on your prescription drugs.

Your health plan offers this service free of charge to all members and their dependents enrolled in medical benefits.

RxSS' experienced pharmacists can work directly with your doctor or pharmacist to make safe changes that save you money. For assistance, please contact the RxSS Pharmacy Support team at 1-800-268-4476. Receive notifications when new savings opportunities are available.

This is what RxSS offers...

Selection

Discover all the options available to treat your condition and compare them to your current prescription(s).

Price

Know exactly what a medication costs, if your plan covers it, and the impact on your deductible.

Convenience

Never miss a savings opportunity, even in the doctor's office, and request a lower-cost prescription in just a few clicks.

Assistance

If you have a savings opportunity, the experienced RxSS staff can work directly with your doctor to help make safe changes that save money.

This is how you can save...

Same Drug, Different Form

Believe it or not, a capsule might cost more than a tablet or liquid form - or vice versa. You never know, but now you will.

Different Drug, Same Treatment

There is usually more than one medication available to treat a medical condition. We show you all of them, along with their costs.

Same Ingredients, Different Pills

If a drug has two active ingredients, the price can skyrocket! Take the active ingredients separately at the same time for the same treatment at a lower cost.

Same Active Ingredient, Lower Price

If a generic is available, we'll find it. If there is more than one option, you'll know exactly what each one costs.
