Compare in-network sites for care and earn cash rewards for shopping healthcare.

Costs for medical procedures are unpredictable. In fact, the same test or procedure can vary by hundreds or even thousands of dollars, depending on where you go. Blue KC's SmartShopper program allows you to research your options and earn cash rewards for scheduling your procedures at lower cost options in your network. Going to a cost-effective site for your care helps you find ways to save money. Through SmartShopper, we are able to pass on a percentage of these savings directly to you.

SmartShopper will display providers and costs, which you can compare side by side.

The program leverages the existing local and national network of providers and facilities that you trust today. Taking care of your health is important, and so is your budget. This innovation is part of Blue KC's commitment to cost transparency and cost savings. For additional support, call Blue KC Customer Service at the number on the back of your member ID card.

It Pays to Shop

SmartShopper pays eligible members cash rewards for choosing a SmartShopper-eligible provider for certain routine procedures, preventive exams, imaging scans and scheduled surgeries. The reward you receive will vary depending on the procedure you need.
