Making the Most of Your Pharmacy Benefits

We know how important your pharmacy benefits are to you.

Blue KC, together with our Pharmacy Benefit Manager (PBM), provides safe, easy and cost-effective ways for you to get the medication you need.

You have several ways to fill prescriptions. Each option offers convenient services to help you make the most of your pharmacy plan.

Retail Network

You can fill your prescriptions at thousands of retail pharmacies and many national drug stores, super markets and large retailers.

Specialty Pharmacy

Our specialty pharmacy can help you manage your chronic conditions and specialty therapies. Specialty medications can be important to maintaining or improving your health and quality of life. If you take a specialty medication, our specialty pharmacy can help by providing resources and personalized, therapy-specific support. Here are just a few of the support services available to you:

- Access to your medications at the lowest cost.
- 24/7 access to personalized patient care from knowledgeable pharmacists and nurses who specialize in your condition.
- Proactive refill reminders with timely delivery and shipping in confidential packaging.
