

## Your Blue KC Member ID Card

Please present your card anytime you visit your doctor, receive healthcare services or fill a prescription. It contains information healthcare professionals need to make sure your care is covered.

1. **Member ID Number** – Number used to identify you and your policy. Contains a three-letter prefix, followed by your ID number.
2. **Suffix** – This number is unique for each member covered on your policy.
3. **Group Number** – Number used to classify our ACA Individual & Family Plans.
4. **Plan Type** – Identifies your plan type.
5. **Network Name** – This is the network of hospitals, doctors and other healthcare professionals that accepts your Blue KC policy. It's important that you see providers in this network to maximize the benefits of your policy. If you have a plan with access to Spira Care, the Spira Care logo will appear here as well.
6. **In-Network Deductible & Out-of-Pocket Maximum** – This space will include your plan's applicable In-Network Deductible and maximum Out-of-Pocket amounts.
7. **QR Code** – Scan the QR code on your member ID card to view your benefit summary. If your benefits are not yet effective or you have issues with the QR code, call Customer Service at the number on your member ID card.
