

Blue KC Care Management App

Wellness Support and Inspiration

The Blue KC Care Management app puts you in control by connecting you to your care team right from your smartphone or tablet.

The app is with you every step of your care journey, making it easier to manage wellness, prevention, maternal health, and chronic conditions, such as diabetes, asthma, or cancer.

Encouragement and Support From the App

Discreet support via secure, two-way messaging with your care team

Set appointment and medication reminders

View your personal health information and care program details

Learn from clinically approved articles and videos personalized to you

Track your steps and progress toward your health goals

Connect to care by downloading the Blue KC Care Management app:

Your access code is **khelppwelcome**. Once downloaded, you can also connect through the MyBlueKC mobile app.
