PRESCRIPTION DRUG LIST

Please see the benefit schedule in your member certificate for member cost sharing associated with Generic and Brand (Preferred and Non Preferred) drugs.

List of Abbreviations for Prescription Drugs

Drug Category:

CM	Oral Chemo Drug
IN	Infertility Drug
LCG	Low Cost Generic Drug
1	Generic Drug
2	Generic and Preferred Brand Drugs
3	Non-Preferred Drug
4	Generic and Preferred Brand Specialty Drugs
5	Non-Preferred Specialty Drug
PV	Affordable Care Act. These preventative drugs may be covered at no cost (check your benefits to confirm).
PV*	Available at \$0 if Health Care Reform copay waiver is approved.
PA	Prior Authorization. The Plan requires you or your physician to get your prior authorization for certain drugs. This means that you will need to get approval before you fill your prescription. If you don't get approval, your plan may not cover the drug.
ST	Step Therapy. In some cases, the Plan requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, we may not cover Drug B unless you try Drug A first. If Drug A does not work for you, we will then cover Drug B.
QL	Quantity Limit. For certain drugs, the Plan limits the amount of the drug that we will cover.

*Your plan has tobacco use coverage through the Routine Preventive Care benefit. Tobacco use includes two tobacco cessation attempts per year (both prescription and over-the-counter medications) for a 90-day treatment regimen when prescribed by an in-network health care provider without prior authorization.

Tier Exception Requests for Contraceptives & HIV Pre-Exposure Prophylaxis (PrEP)

If, for medical reasons, you need a contraceptive or HIV PrEP medication that is not included on these Preventive Service list(s), you may request an exception to waive the otherwise applicable cost sharing for your medication. To request an exception, your doctor must complete and submit one online at **bluekc.com**.

Syringe and Needle Coverage

Syringes and needles are covered by prescription only, and only for members taking medications requiring injection. Techlite/Arkray supplies are covered at \$0 cost; all other syringe/needle products are covered at a non-preferred brand copay.
